SHIVAJI ADHALRAO PATIL

---

SUNIL KUMAR SINGH

Will the Minister of  
CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION be pleased to state:-

- (a) whether the Government has decided to notify the revised poverty estimates on the basis of which States can undertake proper identification of beneficiaries under the Public Distribution System (PDS);
- (b) if so, the details thereof indicating the number of such estimates that were issued and fresh identification carried out during the last twenty years;
- (c) whether the Government has also decided to use biometric technology to include eligible beneficiaries and weed out the ineligible ones, if so, the details thereof;
- (d) whether the Conference of Secretaries of State Food Departments made crucial recommendations for revamping the system and ensuring that grains reached the beneficiaries, if so, the details thereof and steps taken for its implementation; and
- (e) the number of Above Poverty Line (APL) and Below Poverty Line (BPL) families in the country and the quantum of foodgrains allocated, released and distributed under PDS during the last three years and the current year, State-wise?

**ANSWER**

MINISTER OF CONSUMER AFFAIRS, FOOD & PUBLIC DISTRIBUTION  
(SHRI RAM VILAS PASWAN)

(a) & (b): Government has notified the National Food Security Act, 2013 (NFSA) on 10.09.2013, which inter alia provides for coverage of upto 75% of the rural population and

..2/-

...2...

upto 50% of the urban population of the country for receiving foodgrains at subsidized prices under Targeted Public Distribution System (TPDS). Under NFSA, coverage under TPDS has been delinked from poverty estimates and corresponding to the above coverage at the all India level, State-wise coverage has been determined by the erstwhile Planning Commission on the basis of National Sample Survey Office (NSSO) data for 2011-12 on consumption expenditure. Under NFSA, the identification of eligible households is to be done by the respective State/UT Governments. As all States/UTs are required to implement NFSA, there is no proposal under consideration to notify revised poverty estimates for existing TPDS.

(c): Under the scheme of End-to-end Computerization of TPDS Operations, all States/UTs are inter-alia to digitise the ration card/ beneficiary data as per e-Gov standards and also to seed available Aadhaar numbers, which are linked to biometric data. This will help in weeding out bogus/ineligible beneficiaries and including the eligible beneficiaries.

(d): This Department has been organizing Conferences with the Secretaries of State/UT Food Departments from time to time on various issues including revamping and improving the

implementation of TPDS in States/UTs. In the Conferences, the recommendations made relate among others to correct identification of beneficiaries, doorstep delivery of foodgrains upto Fair Price Shops (FPSs), end-to-end computerization of TPDS operations, FPSs automation, etc. The recommendations made during the Conferences are shared with States/UTs for corrective action to be taken to improve the functioning of TPDS. Reports on these points are also obtained from the States/UTs on regular basis, which are reviewed in the Department.

(e): So far 23 States/UTs have implemented the NFSA, 2013. The States/UTs which have not implemented the Act are being allocated foodgrains under existing Targeted Public Distribution System (TPDS) which is based on March, 2000 population estimates of Registrar General of India and 1993-94 poverty estimates of Planning Commission. As per these estimates, there were 6.52 crore accepted number of Below Poverty Line (BPL) families, (which included 2.50 crore AAY families) and 11.52 crore Above Poverty Line (APL) families. The State-wise coverage of beneficiaries under NFSA and State-wise BPL and APL families as per the TPDS are Annex-I. The State-wise details of allocation and offtake under TPDS during the last three years and the current year are at Annex-II & III.
